Welcome to your first year of teaching. This year will test you more intensely than just about anything you've done up to now. It will deplete all your energy, bring you to tears, and make you question every talent or skill you thought you had. But all these tests, if you approach them the right ...

Find Your Marigold: The One Essential Rule for New

I then handed out a second sticky note and asked them to "refine" their passion a bit. Alter it so that it was something they could create an inquiry project on - something they could create a question about and complete research on (we have already completed inquiry projects in science this year, so this concept wasn't new to them).
