### **Home : Defence Publications : Department of Defence**

The Statistics Department at the University of Wisconsin-Madison was established in 1960 by Professor George Box. The original philosophy on the organizational structure was to have most Statistics faculty in one central department but also to have faculty with interests in applications of statistics to a wide variety of scientific disciplines that would be represented in various units on campus.

Each issue of the IEEE Journal on Selected Areas in Communications (J-SAC) is devoted to a specific technical topic and thus provides to J-SAC readers a collection of up-to-date papers on that topic. These issues are valuable to the research community and become valuable references. The technical topics covered by J-SAC issues span the entire field of communications and networking.
