Vald (plural vallad), a rural Estonian municipality or parish leads here. For the French rapper, see Vald (rapper). A municipality (Estonian: omavalitsus, plural omavalitsused) is the smallest administrative subdivision of Estonia. Each municipality is a unit of self-government with its representative and executive bodies.

Municipalities of Estonia - Wikipedia

Civil parishes cover 35% of England's population, with one in Greater London and very few in the other conurbations. Civil parishes vary greatly in size: many cover tiny hamlets with populations of less than 100, whereas some large parishes cover towns with populations of tens of thousands. Weston-super-Mare, with a population of 71,758, is the most populous civil parish.

Neighbourhood planning is a way for local communities to decide the future of their areas. Successful Neighbourhood Plans will form part of the development plan used by Chichester District Council in determining planning applications.

Neighbourhood Planning: Chichester District Council

This is a community website developed for the benefit of local residents (and hopefully will be of interest to non-residents as well). Egginton is a small rural village in South Derbyshire situated in the Trent valley, between Derby and Burton-on-Trent, and about half a mile from the A38 trunk road.

In April 2010 residents of Misterton began to develop a Village Plan with a view to the future of the village. The first public consultation was held on 27th April 2010 where there was general agreement for a Village Plan to be developed. The Parish Council undertook to form a steering committee and with the active help of a number of volunteers the plan began to take shape.
