The American Sociological Association, founded in 1905, is a non-profit membership association dedicated to serving sociologists in their work, advancing sociology as a science and profession, and promoting the contributions and use of sociology to society.

### **Department Leaders' Toolbox | American Sociological**

As pioneers in Sociology, most of the early sociological thinkers were trained in other academic disciplines, including history, philosophy, and economics. The diversity of their trainings is reflected in the topics they researched, including religion, education, economics, psychology, ethics, philosophy, and theology.
