the socratic dialogues early pdf

Socratic dialogue (Ancient Greek: ?????????? ?????) is a genre of literary prose developed in Greece at the turn of the fourth century BC. It is preserved in the works of Plato and Xenophon. The discussion of moral and philosophical problems between two or more characters in a dialogue is an illustration of one version of the Socratic method.

Socratic dialogue - Wikipedia

The Socratic method, also known as method of elenchus, elenctic method, or Socratic debate, is a form of cooperative argumentative dialogue between individuals, based on asking and answering questions to stimulate critical thinking and to draw out ideas and underlying presuppositions. It is a dialectical method, involving a discussion in which the defense of one point of view is questioned ...
